25. Voting through electronic means:

Members are requested to carefully read the below mentioned instructions for remote e-voting before casting their vote:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

a. The voting period begins on 17th September, 2022 (Saturday), 09:00 a.m. (IST) and ends on 19th September, 2022 (Monday), 05:00 p.m. (IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 13th September, 2022 (Tuesday) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- b. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- c. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- d. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

revenue from operations of Rs. 891.64 Lakhs as against Rs. 948.38 Lakhs in the Previous year representing decline in total earnings of 5.98%.

The Net Profit/(loss) after Tax of the company for the financial year 2021-22 is Rs. 243.09 Lakh as against the Profit of Rs. 272.75 Lakhs during the previous financial year registering a decline of 10.87%. The performance in the financial year 2021-22 was impacted by the external challenge of the pandemic-led disruption of the second wave of the COVID-19 resulting in re-imposition of lockdown at the beginning of the financial year. Various measures taken by the management of the company have helped mitigate the adverse impacts to a large extent.

3. Impact of COVID-19.

The second wave of the COVID-19 has hit the country the hardest in terms of fatalities. It led to further State-imposed lockdowns, impacting the economy while putting several restrictions in place on key businesses. With learnings from the first wave, the country used its experience to combat the effects of the second wave. Strategic lockdowns and easing up of the same have helped numerous States curb the spread of infection while providing the industry with considerable regulatory initiative to restore normalcy. With proactive measures, the country is slowly and steadily fighting against the insurgent second wave.

The Operations of the Company during the year ended 31st March, 2022 were slightly affected for the time being due to lockdown. The Company's focus shifted to minimizing disruption of its services for all our customers. The company has evaluated the impact of this pandemic in its business operations, liquidity and financial position and based on management review of current indicators and economic conditions, there is no material impact on its financial results as at 31st March, 2022.

4. Dividend

In order to preserve the profit and to utilize such amount in the business activities, your Board of Directors does not recommend any dividend during the year under review. (Previous year: Nil)

5. Transfer of Amount and Shares to Investor Education & Protection Funds (IEPF)

Pursuant to the provisions of the Companies Act, 2013 read with the IEPF Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("the Rules") all unpaid or unclaimed dividend are required to be transferred by the company to the IEPF Authority established by the Government, after the completion of seven years. Further, according to the rules, the resulting shares on which dividend has not been paid or claimed by the shareholders for seven consecutive years or more also need to be transferred to the Demat account of the IEPF Authority. Accordingly, the company has transferred the unclaimed and unpaid dividends of Rs.2,07,111/- and has also transferred 17,301 equity shares of Rs. 10/- each to the IEPF Authority for the dividend declared by the company in the year 2013-14. The details related to dividend remains unpaid-unclaimed in the Company have been given in the Corporate Governance Report attached with the Annual Report of the Company.

6. Transfer of Amount to the NBFC Reserves or any other reserve

AD-MANUM FINANCE LIMITED

Whistle Blower Policy & Vigil Mechanism

1. **Preface** Pursuant to Regulation 22 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and as per applicable provisions of section 177 (9) of the Companies Act, 2013 requires every listed company shall establish a Whistle Blower policy/Vigil Mechanism for the directors and employees to report genuine concerns or grievances about unethical behavior, actual or suspected fraud or violation of the company's Code of Conduct or Ethics Policy. The Company has adopted a Code of Conduct for Directors and Senior Management Executives ("the Code"), which lays down the principles and standards that should govern the actions of the Company and its employees. Any actual or potential violation of the Code, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. Such a vigil mechanism shall provide for adequate safeguards against victimization of directors and employees who avail of such mechanism and also make provisions for direct access to the Chairperson of Audit Committee in exceptional cases.

Under these circumstances, **Ad-Manum Finance Limited**, being a listed Company proposes to establish a Whistle Blower Policy/ Vigil Mechanism and to formulate a policy for the same.

2. **Definitions:** The definitions of some of the key terms used in this Policy are given below. Capitalized terms not defined herein shall have the meaning assigned to them under the Code.

- a. "Associates" means and includes vendors, suppliers and others with whom the Company has any financial or commercial dealings.
- b. "Audit Committee" means the Audit Committee of Directors constituted by the Board of Directors of the Company in accordance with Section 177 of the Companies Act, 2013.
- c. "Employee" means every employee of the Company (whether working in India or abroad), including the directors in the employment of the Company. .
- d. "Code" means the Whistle Blower Policy/ Vigil Mechanism Code of Conduct.
- e. "Director" means every Director of the Company, past or present.
- f. "Investigators" mean those persons authorized, appointed, consulted or approached by the Ethics Counselor/Chairman of the Audit Committee and include the auditors of the Company and the police.
- g. "Protected Disclosure" means any communication made in good faith that discloses or demonstrates information that may evidence unethical or improper activity.
- h. "Subject" means a person against or in relation to whom a Protected Disclosure has been made or evidence gathered during the course of an investigation.
- i. "Whistleblower" means an Employee or director making a Protected Disclosure under this policy.

3. **Scope of this Policy:** This Policy intends to cover serious concerns that could have grave impact on the operations and performance of the business of the Company and malpractices and events which have taken place/suspected to have taken place, misuse or abuse of authority, fraud or

suspected fraud, violation of company rules, manipulations, negligence causing danger to public health and safety, misappropriation of monies, and other matters or activity on account of which the interest of the Company is affected and formally reported by whistle blowers concerning its employees. The policy neither releases employees from their duty of confidentiality in the course of their work, nor is it a route for taking up a grievance about a personal situation.

4. **Eligibility:** All Employees and directors of the Company are eligible to make Protected Disclosures under the Policy. The Protected Disclosures may be in relation to matters concerning the Company.

5. **Disqualifications**

- a. While it will be ensured that genuine Whistle Blowers are accorded complete protection from any kind of unfair treatment as herein set out, any abuse of this protection will warrant disciplinary action.
- b. Protection under this Policy would not mean protection from disciplinary action arising out of false or bogus allegations made by a Whistle Blower knowing it to be false or bogus or with a mala fide intention.
- c. Whistle Blowers, who make any Protected Disclosures, which have been subsequently found to be mala fide, frivolous or malicious shall be liable to be prosecuted under Company's Code of Conduct.

6. **Procedure**

- a. All Protected Disclosures should be addressed to the Chairman of the Audit Committee of the Company for investigation.
- b. The contact details of the Chairperson of the Audit Committee of the Company is as under:

Priyanka Jha

**Sundar Nagar Main, 250, Sundar Nagar
Sukhliya Indore (M.P.) 452010**

- c. If a protected disclosure is received by any executive of the Company other than Chairman of Audit Committee, the same should be forwarded to the Chairman of the Audit Committee for further appropriate action. Appropriate care must be taken to keep the identity of the Whistleblower confidential.
- d. Protected Disclosures should preferably be reported in writing so as to ensure a clear understanding of the issues raised and should either be typed or written in a legible handwriting in English, Hindi or in the regional language of the place of employment of the Whistleblower.
- e. The Protected Disclosure should be forwarded under a covering letter which shall bear the identity of the Whistleblower. The Chairman of the Audit Committee shall detach the covering letter and forward only the Protected Disclosure to the Investigators for investigation.
- f. Protected Disclosures should be factual and not speculative or in the nature of a conclusion and should contain as much specific information as possible to allow for proper assessment of the nature and extent of the concern and the urgency of a preliminary investigative procedure.
- g. The Whistleblower must disclose his/her identity in the covering letter forwarding such Protected Disclosure. Anonymous disclosures will not be entertained as it would not be possible to interview the Whistleblowers.

7. Investigation:

- a. All Protected Disclosures reported under this Policy will be thoroughly investigated by Chairman of the Audit Committee of the Company who will investigate / oversee the investigations under the authorization of the Audit Committee. If any member of the Audit Committee has a conflict of interest in any given case, then he/she should rescue himself/herself and the other members of the Audit Committee should deal with the matter on hand. In case where a company is not required to constitute an Audit Committee, then the Board of directors shall nominate a director to play the role of Audit Committee for the purpose of vigil mechanism to which other directors and employees may report their concerns.
- b. The Chairman of the Audit Committee may at its discretion, consider involving any Investigators for the purpose of investigation.
- c. The decision to conduct an investigation taken by the Chairman of the Audit Committee is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may not support the conclusion of the Whistleblower that an improper or unethical act was committed.
- d. The identity of a subject will be kept confidential to the extent possible given the legitimate needs of law and the investigation.
- e. Subjects will normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.
- f. Subjects shall have a duty to co-operate with the Chairman of the Audit Committee or any of the Investigators during investigation to the extent that such co-operation will not compromise self-incrimination protections available under the applicable laws.
- g. Subjects have a right to consult with a person or persons of their choice, other than the Ethics Counselor/Investigators and/or members of the Audit Committee and/or the Whistleblower. Subjects shall be free at any time to engage counsel at their own cost to represent them in the investigation proceedings.
- h. Subjects have a responsibility not to interfere with the investigation. Evidence shall not be withheld, destroyed, or tampered with, and witnesses shall not be influenced, coached, threatened or intimidated by the Subjects.
- i. Unless there are compelling reasons not to do so, Subjects will be given the opportunity to respond to material findings contained in an investigation report. No allegation of wrongdoing against a Subject shall be considered as maintainable unless there is good evidence in support of the allegation.
- j. Subjects have a right to be informed of the outcome of the investigation. If allegations are not sustained, the Subject should be consulted as to whether public disclosure of the investigation results would be in the best interest of the Subject and the Company.
- k. The investigation shall be completed normally within 45 days of the receipt of the Protected Disclosure

8. PROTECTION

8.1 No unfair treatment will be meted out to a Whistle Blower by virtue of his/ her having reported a Protected Disclosure under this policy. The company, as a policy, condemns any kind of discrimination, harassment, victimization or any other unfair employment practice being adopted against Whistle Blowers. Complete protection will, therefore, be given to Whistle Blowers against any unfair practice like retaliation, threat or intimidation of termination / suspension of service, disciplinary action, transfer, demotion, refusal of promotion or the like including any direct or

indirect use of authority to obstruct the Whistle Blower's right to continue to perform his duties / functions including making further Protected Disclosure. The Company will take steps to minimize difficulties, which the Whistle Blower may experience as a result of making the Protected Disclosure. Thus, if the Whistle Blower is required to give evidence in criminal or disciplinary proceedings, the Company will arrange for the Whistle Blower to receive advice about the procedure, etc.

8.2 A Whistle Blower may report any violation of the above clause to the Chairman of the Audit Committee, who shall investigate into the same and recommend suitable action to the management.

8.3 The identity of the Whistle Blower shall be kept confidential to the extent possible and permitted under law. 8.4 Any other Employee assisting in the said investigation shall also be protected to the same extent as the Whistle Blower.

9. SECRECY / CONFIDENTIALITY

9.1 The complainant, Members of Audit Committee, the Subject and everybody involved in the process shall:

9.2 Maintain confidentiality of all matters under this Policy

9.3 Discuss only to the extent or with those persons as required under this policy for completing the process of investigations.

9.4. Not keep the papers unattended anywhere at any time

9.5 Keep the electronic mails / files under password.

10. DECISION: If an investigation leads the Chairman of the Audit Committee to conclude that an improper or unethical act has been committed, Chairman of the Audit Committee shall recommend to the management of the Company to take such disciplinary or corrective action as he may deem fit. It is clarified that any disciplinary or corrective action initiated against the Subject as a result of the findings of an investigation pursuant to this Policy shall adhere to the applicable personnel or staff conduct and disciplinary procedures.

If the report of investigation is not to the satisfaction of the complainant, the complainant has the right to report the event to the appropriate legal or investigating agency. A complainant who makes false allegations of unethical & improper practices or about alleged wrongful conduct of the subject to the Whistle Officer or the Audit Committee shall be subject to appropriate disciplinary action in accordance with the rules, procedures and policies of the Company.

11. REPORTING: The Chairman of the Audit Committee shall submit a report to the Audit Committee on a regular basis about all Protected Disclosures referred to him/her since the last report together with the results of investigations, if any.

12. ACCESS TO CHAIRMAN OF THE AUDIT COMMITTEE: The Whistle Blower shall have right to access Chairman of the Audit Committee directly in exceptional cases and the Chairman of the Audit Committee is authorized to prescribe suitable directions in this regard.

13. COMMUNICATION: A whistle Blower policy cannot be effective unless it is properly communicated to employees. Therefore, the policy is published on the website of the company.

14. RETENTION OF DOCUMENTS: All Protected disclosures in writing or documented along with the results of Investigation relating thereto, shall be retained by the Company for a period of 7 (seven) years or such other period as specified by any other law in force, whichever is more.

15. ADMINISTRATION AND REVIEW OF THE POLICY: A quarterly status report on the total number of compliant received, if any during the period with summary of the findings of Audit Committee and corrective steps taken should be send to the Chairman of the company. The Company Secretary shall be responsible for the administration, interpretation, application and review of this policy.

16. AMENDMENT: The Company reserves its right to amend or modify this Policy in whole or in part, at any time without assigning any reason whatsoever. However, no such amendment or modification will be binding on the Employees and Directors unless the same is notified to them in writing.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF AD- MANUM FINANCE LIMITED

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

OPINION

We have audited the accompanying Financial Statements of AD-MANUM FINANCE LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS"), of the state of affairs of the Company as at March 31, 2022, its total comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and Rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined no key audit matters to be reported.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in Board's Report including Annexure to Board's Report and management compliance certificate but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act, read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial Statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a Statements that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a Statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

Annexure – “A” to the Independent Auditor’s Report

[Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ in the Independent Auditor’s Report of even date to the members of AD-MANUM FINANCE LIMITED on the Financial Statements for the year ended 31st March 2022]

The Annexure required under CARO, 2020 referred to in our Report to the members of the Ad-Manum Finance Limited (“the Company”) for the year ended 31st March 2022, and according to information and explanations given to us, we report as under:

- i. a) (A) The company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The company is maintaining proper records showing full particulars of intangible assets.
b) These Property, Plant and Equipment have been physically verified by the management at reasonable intervals and as informed, no material discrepancies were noticed on such verification. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets.
c) The title deeds of all the immovable properties (other than properties where the company is the lessee, and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company.
d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year; Accordingly, the Provision of Clause 3(i)(d) of the order is not applicable to the company.
e) The company does not have any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder, Accordingly, the provisions of clause 3(i)(e) of the Order is not applicable.
- ii. (a) The nature of the company’s business is such that it is not required to hold any inventories. Accordingly, the Provision of Clause 3(ii)(a) of the order is not applicable to the company.

(b) During any point of time of the year, the company has not been sanctioned any working capital limits, from banks or financial institutions on the basis of security of current assets. Since the company has not been sanctioned any working capital limits therefore there is no requirement to file the quarterly returns or statements with such banks or financial institutions. Accordingly, the provisions of clause 3(ii)(b) of the Order is not applicable.
- iii. During the year the company has made investments, not provided any guarantee or security but has granted loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties, and,
 - (a) During the year the company has provided loans or provided advances in the nature of loans, or stood guarantee, or provided security to any other entity but the principal business of the company is to give loans. Accordingly, the provisions of clause 3(iii)(a) (A) and (B) of the Order is not applicable.
 - (b) The investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are not prejudicial to the company’s interest.

Annexure – “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ in the Independent Auditor’s Report of even date to the members of AD-MANUM FINANCE LIMITED on the Financial Statements for the year ended 31st March 2022)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Ad-Manum Finance Limited (“the Company”) as of 31st March 2022 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatements of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, and to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Note 1:

Notes forming part of Financial Statements for the year ended 31st March 2022
(All amounts are in Indian Rupees in Thousands unless otherwise stated)

A. Corporate Information

Ad-Manum Finance Limited ('the Company') is a company limited by shares and is domiciled in India. The company's registered office is at "Agarwal House", Ground Floor, 5, Yeshwant Colony, Indore – 452003 (M.P.), India. The company is primarily engaged in the business of non-banking finance and is registered as Non-Banking Finance Company | Non – Deposit Taking | Non-Systematically Important (NBFC-ND-NSI) and Wind power generation. Its equity shares are listed in India on Bombay stock Exchange (BSE).

These financial statements of the Company for the year ended March 31, 2022, were authorized for issue by the Board of Directors on 16/05/2022, pursuant to the provision of the Companies Act, 2013 (the 'Act') Securities and Exchange Board of India and other statutory regulatory bodies.

B. Significant accounting policies

1. Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting standards ("Ind AS") notified, under section 133 of the Companies Act, 2013 ('Act') read with the rules notified under the relevant provisions of the Act.

2. Basis of Preparation

The financial statements have been prepared on accrual basis and under the historical cost convention except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

The financial statements have been prepared in accordance with the requirements of the information and disclosures mandated by Schedule III (Division – III) of the companies Act, applicable Ind AS and other applicable pronouncements and regulations.

The financial statements including notes thereon are presented in Indian Rupees ("Rupees" or "INR"), which is the Company's functional and presentation currency. All amounts disclosed in the financial statements including notes thereon have been rounded off to the nearest thousands of Rupees as per the requirement of Schedule III to the Act, unless stated otherwise.

3. Use of Estimates, Judgments and Assumptions

The preparation of financial statements in accordance with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have significant effect on amount recognized in the financial statements are:

- i. Allowance for bad and doubtful tradereceivable.
- ii. Recognition and measurement of provision andcontingencies.
- iii. Depreciation/ Amortisation and useful lives of Property, plant, and equipment / IntangibleAssets.
- iv. Recognition of deferred tax.
- v. Income Taxes.
- vi. Measurement of defined benefit obligation.
- vii. Impairment of Non-financial assets andfinancial assets.

4. Standard issued but not yet effective

The Company applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 Apr 2021. The Company has not early adopted any other standard or amendment that has been issued but is not yet effective:

(i) Interest Rate Benchmark Reform – Phase 2: Amendments to Ind AS 109, Ind AS 107, Ind AS 104 and Ind AS 116

The amendments provide temporary reliefs which address the financial reporting effects when an interbank offered rate (IBOR) is replaced with an alternative nearly risk-free interest rate (RFR).

The amendments include the following practical expedients:

- A practical expedient to require contractual changes, or changes to cash flows that are directly required by the reform, to be treated as changes to a floating interest rate, equivalent to a movement in a market rate of interest
- Permit changes required by IBOR reform to be made to hedge designations and hedge documentation without the hedging relationship being discontinued
- Provide temporary relief to entities from having to meet the separately identifiable requirement when an RFR instrument is designated as a hedge of a risk component

These amendments had no impact on the financial statements of the Company. The Company intends to use the practical expedients in future periods if they become applicable.

(ii) Conceptual framework for financial reporting under Ind AS issued by ICAI

The Framework is not a Standard and it does not override any specific standard. Therefore, this does not form part of a set of standards pronounced by the standard-setters. While the Framework is primarily meant for the standard-setter for formulating the standards, it has relevance to the preparers in certain situations such as to develop consistent accounting policies for areas that are not covered by a standard or where there is choice of accounting policy, and to assist all parties to understand and interpret the Standards.

The amendments made in following standards due to Conceptual Framework for Financial Reporting under Ind AS. includes amendment of the footnote to the definition of an equity instrument in Ind AS 102- Share Based Payments, footnote to be added for definition of liability i.e., definition of liability is not revised on account of revision of definition in conceptual framework in case of Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets etc.

The MCA has notified the Amendments to Ind AS consequential to Conceptual Framework under Ind AS vide notification dated June 18, 2021, applicable for annual periods beginning on or after April 1, 2021. Accordingly, the Conceptual Framework is applicable for preparers for accounting periods beginning on or after 1 April 2021.

These amendments had no impact on the financial statements of the Company.

(iii) Ind AS 116: COVID-19 related rent concessions

MCA issued an amendment to Ind AS 116 Covid-19-Related Rent Concessions beyond 30 June 2021 to update the condition for lessees to apply the relief to a reduction in lease payments originally due on or before 30 June 2022 from 30 June 2021. The amendment applies to annual reporting periods beginning on or after 1 April 2021. In case a lessee has not yet approved the financial statements for issue before the issuance of this amendment, then the same may be applied for annual reporting periods beginning on or after 1 April 2020.

These amendments had no impact on the financial statements of the Company.

(iv) Ind AS 103: Business combination

The amendment states that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired, and liabilities assumed must meet the definitions of assets and liabilities in the Framework for the Preparation and Presentation of Financial Statements in accordance with Indian Accounting Standards* issued by the Institute of Chartered Accountants of India at the acquisition date. Therefore, the acquirer does not recognise those costs as part of applying the acquisition method. Instead, the acquirer recognises those costs in its post-combination financial statements in accordance with other Ind AS.

These amendments had no impact on the financial statements of the Company.

(v) Amendment to Ind AS 105, Ind AS 16 and Ind AS 28

The definition of "Recoverable amount" is amended such that the words "the higher of an asset's fair value less costs to sell and its value in use" are replaced with "higher of an asset's fair value less costs of disposal and its value in use". The consequential amendments are made in Ind AS 105, Ind AS 16 and Ind AS 28.

These amendments had no impact on the financial statements of the Company.

5. Recent Pronouncements

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet:

- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters.

- Specified format for ageing schedule of trade receivables and trade payables.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Statement of Profit and Loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency, specified under the head 'additional information' in the notes forming part of Financial Statements.

The amendments are extensive, and the Company has provided the information as required by law to the extent applicable.

6. Revenue Recognition

- Revenue from contract with customer is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as per contracts with the customers.
 - Revenue from windmill energy generation is accounted for on the basis of the billing to respective state governments as per the Power purchase Agreement entered into with them.
 - Other operational revenue represents income earned from the activities incidental to the business and is recognized when the performance obligation is satisfied and right to receive the income is established as per the terms of the contract.
- Interest income is recognized on accrual basis using the effective interest method.
- Dividend income is recognised in profit or loss on the date on which the company's right to receive payment is established.

7. Property, Plant and Equipment

a. Measurement and recognition:

An item of property, plant and equipment that qualifies as an asset is measured on initial recognition at cost.

Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises of its purchase price including import duties and other non-refundable purchase taxes or levies, directly attributable cost of bringing the asset to its working condition for its intended use and the initial estimate of decommissioning, restoration, and similar liabilities, if any.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the company.

b. Depreciation:

Depreciation is provided using straight-line method as specified in Schedule II to the Companies Act, 2013. Depreciation on assets acquired / disposed of during the year is provided on pro-rata basis with reference to the date of addition / disposal.

c. Derecognition:

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the assets and is recognised in Statement of Profit and Loss.

8. Intangible assets

a. Measurement and recognition:

Intangible assets are held at cost less accumulated amortisation and impairment losses. Intangible assets developed or acquired with finite useful life are amortised on straight line basis over the useful life of asset.

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates or when the development stage is achieved. All other expenditure, including expenditure on internally generated goodwill and brands, when incurred is recognised in statement of profit and loss.

b. Amortisation

The intangible assets of the Company are assessed to be of finite lives and are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The Company reviews amortization period on an annual basis. Intangible assets are amortized on straight line basis in accordance with IND AS 38 and Schedule II to the Companies Act, 2013 or based on technical estimates.

c. Derecognition:

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

9. Impairment of non-financial asset

The company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indication exists, the company estimates the amount of impairment loss. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or group of assets is considered as cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognized in profit or loss and reflected in an allowance account. When the company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can

be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been in place had there been no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss, taking into account the normal depreciation/amortization.

10. Employee Benefits

A. Short Term Employee Benefits

Short term employee benefits are recognized in the period during which the services have been rendered.

B. Long Term Employee Benefits

- a. Retirement benefits in the form of defined contribution plans including gratuity liability under Payment of Gratuity Act are paid & charged to the Statement of Profit and Loss for the year when contributions to the respective Funds are due, in such cases the actuarial risk and the investment risk are borne by the respective funds.
- b. Retirement benefits in the form of defined benefit plan are recognised using Projected Unit Credit Method where Current service cost, Past service cost and net interest Expense/Income is recognised in the statement of profit and loss and Gain/Loss due to actuarial risk and investment risk is charged to the other comprehensive income.

11. Taxation

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

a. Current taxes

Provision for current tax is made after taking into consideration benefits admissible under provisions of the Income Tax Act, 1961. Minimum Alternative Tax (MAT) credit entitlement is recognized where there is convincing evidence that the same can be realized in future.

b. Deferred Taxes

The deferred tax charge or credit the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is reasonable certainty of realization of such assets.

12. Provisions, contingent liabilities, and contingent assets

The Company creates a provision when there is a present obligation as a result of past events, and it is probable that there will be outflow of resources and a reliable estimate of the obligation can be made of the amount of the obligation. Contingent liabilities are not recognized but are disclosed in the notes to the

financial statements. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are neither recognized nor disclosed in the financial statements.

13. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible to the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 - inputs that are unobservable for the asset or liability.

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

14. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, interest rate swaps and currency options, and embedded derivatives in the host contract.

a. Financial Assets

Classification:

The Company shall classify financial assets and subsequently measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement:

All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset, in the case of financial assets not recorded at fair value through profit or loss. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the asset.

Fair value through profit or loss:

Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in Statement of Profit and Loss in the period in which it arises, unless it arises from debt instruments that were designated at fair value, or which are not held for trading. Interest income from these financial assets is included in 'Interest income' using the effective interest rate method.

Fair value through other comprehensive income:

Financial assets that are held for collection of contractual cash flows and for selling the assets, where the assets' cash flows represent solely payments of principal and interest, and that are not designated at FVPL, are measured at fair value through other comprehensive income. Movements in the carrying amount are taken through FVOCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses on the instrument's amortized cost which are recognized in profit or loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss. Interest income from these financial assets is included in 'Interest income' using the effective interest rate method.

Amortized Cost:

Assets that are held for contractual cash flows where those cash flows represent solely payments of principal and interest ('SPPI'), and that are not designated at FVTPL, are measured at amortized cost. The carrying amount of these assets is adjusted by any expected credit loss allowance recognized and measured. Interest income from these financial assets is recognized using the effective interest rate method.

Interest income:

Interest income is calculated by applying the effective interest rate to the gross carrying amount of financial assets.

Equity instruments:

Equity instruments are instruments that meet the definition of equity from the issuer's perspective; that is, instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets. Ind AS 109 requires all investments in equity instruments and contracts on those instruments to be measured at fair value.

The Company subsequently measures all quoted equity investments at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no

subsequent reclassification for fair value gains and losses to profit or loss following the de-recognition of the investment.

The Company subsequently measures all un-quoted equity investments at cost based on the requirements of Ind AS 109, where in some limited circumstances cost is a more appropriate estimate of fair value, that may be the case if insufficient more recent information is available to measure the fair value or if there is a wide range of possible fair value measurements and cost represents the best estimate of the fair value within that range.

Changes in the fair value of financial assets at fair value through profit or loss are recognized in net gain/ loss on fair value changes in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value. Gains and losses on equity investments at FVTPL are included in the Statement of Profit and Loss.

Debt instruments:

Debt instruments are those instruments that meet the definition of a financial liability from the issuer's perspective, such as loans, government and corporate bonds and trade receivables. Based on the factors, the Company classifies its debt instruments into one of the above three measurement categories.

De-recognition:

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily derecognised (i.e., removed from the company's balance sheet) when:

- a. The rights to receive cash flows from the asset have expired, or
- b. The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.
- c. When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.
- d. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

Impairment of financial assets:

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- i. Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance:

The Company follows general approach for recognition of impairment loss allowance for financial assets other than trade receivables. In general approach, the financial asset is divided into 3 stages and the amount of ECL is recognized depending on the stage of the financial asset into consideration.

The loss under this approach is either based on the 12 months ECL or lifetime ECL. All financial assets falling in stage 1 is performing and requires 12 months ECL, whereas financial assets in stage 2 where the credit risk has increased significantly post recognition or financial assets in stage 3 which are credit impaired a lifetime ECL is required.

ii. **Trade receivables:**

The Company follows simplified approach for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition (if any).

b. Financial Liabilities

Classification:

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or amortised costs.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

De-recognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting

Financial assets and financial liabilities are offset, and the net amount is presented in the balance sheet when, and when the company has a legally enforceable right to set off the amount and it intends either to settle them on net basis or to realize the asset and settle the liability simultaneously.

Derivative financial instruments

The company uses derivative financial instruments, such as forward currency contracts, interest rate swaps and forward commodity contracts, to hedge its foreign currency risks, interest rate risks and commodity price risks, respectively. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

15. Cash and cash equivalents

Cash and cash Equivalents in the Balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three or less month, which are subject to an insignificant risk of changes in value.

16. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals, or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing, and financing activities of the Company are segregated.

17. Earnings per share

a. Basic earnings per share

Basic earnings per share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus element in equity shares issued during the year, if any and excluding treasury shares.

b. Diluted earnings per share

Diluted earnings per share adjusted the figures used in the determination of basic earnings per share to take into account the after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

18. Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

19. Borrowing Costs

Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, if any. All other borrowing costs are expensed in the period in which they are incurred.

20. Segment Accounting Policies

Based on the criteria mentioned in Ind AS 108 "Operating Segment" the company has identified its reportable segments. The Chief Operating Decision Maker (CODM) evaluates the company's performance and allocates resources based on an analysis of various performance indicators by operating segments. The CODM reviews revenue and gross profit as performance indicator for all the operating segments.

21. Recognition Of NPA

Non-Performing Assets (NPA), if any, is recognized as per the prudential norms of NBFC Rules and Regulations of Reserve Bank of India.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Ind AS. An explanation for each level is given below.

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Notes:

1 There have been no transfer between Level 1, Level 2 and Level 3 during the period March 31, 2022 and March 31, 2021.

2 The management assessed that cash and bank balances, trade receivables, loans, trade payables, borrowings (cash credits, commercial papers, foreign currency loans, working capital loans) and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
